2025 Charges and Voluntary Contributions – Year K – 6

Dear Parents and Caregivers,

SCHOOL CONTRIBUTIONS AND CHARGES 2025

The Western Australian Government's priority is to ensure that all students are entitled to participate in an educational program that satisfies the requirements of the *Western Australian Curriculum and Assessment Outline*.

The School Contributions and Charges financial procedure guides parents and carers to understand the flexibilities of school fee structures and to determine the estimated total cost of their child's education. It is a requirement of the Education Act that all possible contributions and charges are identified two months prior to the beginning of the school year.

The Deanmore Primary School Board has endorsed the schedule of contributions and charges for 2025.

1. CONTRIBUTIONS

The term relates to the monies requested from parents towards the cost of materials, services and facilities used by K-6 students in the standard educational program which Deanmore PS is required to provide.

The total amount of contributions parents and carers are being asked to pay for Kindergarten to Year 6 is \$60.00.

Money collected will be used to supplement school expenditure in the areas such as materials for art and craft, design and technology and science, photocopy materials, classroom materials, web-based curriculum materials/resources. While contributions are voluntary, the quality of the teaching and learning program will be maximised when each family makes its contribution.

2. CHARGES

These are amounts paid for participation in separate events, sporting activities, incursions, excursions, swimming lessons, dance etc. We hope that all children will attend these activities but only those who pay will attend.

A breakdown of estimated charges for your child's participation in incursions, excursions, and activities for 2025 has been included on the attached schedule. These charges reflect similar charges that have been made over previous years. Students will only incur cost when they are involved in a particular activity. The amount on the schedule represents the maximum charged for scheduled activities in 2025. You will be asked to make payment to the school for each activity as it approaches.

The charges schedule includes costs associated with:

- Specific learning activities made available to **all** students, but conditional on a payment being made e.g. incursions, excursions etc.
- Specific learning activities made available to **selected** students, but conditional on payment being made, e.g., School of Instrumental Music program etc.

Payment plans can be set up at any time for families who wish to pay instalments over time.

Call the office on 9222 9250 for assistance.
